

# *Windridge Elementary Drop-Off and Pick-Up Procedures*

At Windridge Elementary, our students' safety is our primary concern. Please follow the parking lot rules and procedures listed below to ensure that all students have a safe experience at school:

## **Pick up and Drop off**

- Please enter the drop-off/pick-up loop from the north and exit from the south.
- Pull as far forward as you can, even for kindergarten students.
- Never park and leave your car in the pick-up/drop-off zone.
- Do not double park or stop in the lane and let your students come to your car, please wait in line or find a space in line.
- Please do not designate a pick-up or drop-off plan that requires your child to cross the entrance or exit to the loop, cross the street without a crossing guard or walk across the parking lot.

## **Parking**

- Red zones are for emergency vehicle access only and must be available at all times.
- Striped crosswalk areas must be kept clear so students can cross safely.
- Orange cones represent bus zones, please do not park or wait in these zones.
- If you need to leave your vehicle during drop-off or pick-up, please park in a marked parking stall.

Thank you for your help and support in making Windridge Elementary a safe place for students.
