Agenda Items

Approval of Minutes

A motion was made to approve the meeting minutes from last week.

The motion was seconded and a vote was held. The minutes were approved.

Discuss the use of the remaining Community Council budget for the Windridge Garden.

Discussion was held regarding using the community council budget for our garden. Many members liked the garden because there are many science applications for the garden for all the grades, and it's something the school can use all year round. It's also beneficial for our medically fragile and special needs children. Some questions were raised:

*Is there a more pressing need for the school where we can apply these funds?

*Who will perform upkeep and maintenance through the summer?

*How will we maintain security of the area? How will we keep the kids out of it that shouldn't be there?

*Is the location problematic since the grass isn't growing there? Is there a better location?

*How will it work with our current ground crew?

Action Item – Mrs. Midgley, to provide answers to the questions posed above at the next meeting.

Other Items

Our next meeting will be held on November 15 at 4:00 pm in the conference room.

The meeting adjourned at 4:30 pm
