

A decorative header image featuring a purple rectangular box at the top. Below the box, a teal textured background is visible, adorned with various school supplies: a pair of red scissors, several sharpened colored pencils in red, orange, blue, and green, a blue binder clip, and a yellow apple on the right side. On the left, a stack of colorful pencils (yellow, green, red, blue) is partially visible.

WINDRIDGE WEEKLY

April 5, 2021

Message from the Principal

We hope you had a wonderful and rejuvenating spring break! We are entering our final stretch of the school year. Please know that this is an important time for learning. There are so many key concepts taught in these last few months that will prepare your student for the next grade and beyond. Also, as we approach end of level testing, please make sure your student is in attendance (unless they are sick), that they come to school well-rested, after eating a good breakfast, so they are able to do their very best. Please help your student remember to come to school with a charged and ready laptop or iPad. We will be using these devices for our end of level tests. We are ready to finish our last term of the school year strong!

Casey Pickett
Principal

What's Coming Up!

April 8 - Fizz Fundraiser day for Windridge

April 12 - Report Cards Available

April 12 - Running Club Begins

April 19-22 - One Book, One School Celebration Week

April 29 - Wax Museum

STEM Month March 8th - April 5th

We still have a week left of our amazing STEM Month! Students who complete the challenges on their Bingo card will be entered in a drawing for a fantastic prize!!! Don't miss out on the last week of this fun event to promote STEM learning in our school!

One Book One School

We are so excited to announce that we are going to be reading *The Wild Robot* for our One book One school this year. The children will be reading it with their classes but it would be great if you wanted to read along as families in your home! We will be spending the week of April 19th through the 22nd celebrating the book with several contests and activities! We will send out more information as the time gets closer. This is a great book and a fun experience for a whole school to read the same book! If you have any questions contact Mrs. Bernhisel in the library.

Join the PTA!

We are looking to add people to our board for the upcoming school year. If you are interested in being involved in the PTA please contact Monica Glover email travelbug05@gmail.com or text 801.597.0959.

Dancing with the Student Council!

Thanks to the Student Council, we were able to have an amazing Health and Wellness Week! Thanks for the awesome activities that helped us learn and have fun!
