

Dear Windridge Elementary Parents,

We invite you to participate as a member of the Windridge Elementary's Community Council. In accordance with State law, starting in July of 2002, "Each public school, in consultation with its local school board, shall establish a school community council at the school building level."

**Each Community Council shall: Create a School Improvement Plan (SIP) which includes:**

- Setting goals that reflect the most critical academic needs of the school
- Developing a Reading Achievement Plan
- Allocating School LAND Trust funds to support the SIP

**Advise, make recommendations, and partner with the school regarding school and district programs including:**

- The Child Access Routing Plan
- Safe technology utilization and digital citizenship
- Other issues related to the community environment for students

Community Council members serve for two years. We are grateful for their service! If you are interested in serving, please fill out a candidate application form and submit it to the school office. If more people apply than positions, voting will take place in the school offices.

Thank you!
