Review:

Bubble Festival —Audrey Slade/Tarin Wariner/Megan Shaw/Student Council

Student Council: Said they had fun. Teachers taking over the games was helpful then they could focus on the food. For next year they will separate the pizza line and hot dog line then have chips separate.

Audrey: we had about 60 volunteers. 18 teachers, 7 Kohls, 15 Young Women, 20 parent volunteers

Everyone said it was amazing. Silent auction was so good and easy this year. Having the goal was good for people to donate. Looking for anyone who would be willing to join the committee already. Want to start getting donations in January.

Thinking about moving it to a Friday for next year. Set up would be easier.

Auction ideas: front row parking, no class baskets, front row seating for programs

Tarin: most popular was the sucker pull activity, and the blow up (but they barely pay for themselves)

Don't need all the free things (only bubble wands, and guessing jar)

Send tickets home for PTA members and PTA plus members. Helps them join PTA and then come to the festival.

Membership Update—Liz Sant

169 members. More than last year. More faculty members.

T Shirts/Box Tops Update—Ashley Perrenoud

Last order for shirts. Ordered extra to sell shirts at the book fair. Will find volunteers to run it. Maybe put it by the front door.

Box Tops sent in by December. Write something up for newsletter if you need an emailed receipt.

Windridge Wonders—Kim Porter

Wished the newsletter would have the actual names of the kids. She will check on it for future.

Running Club—Started September 30—Stacia Chamberlain

She's the only one which is fine but could use some help on actual running day.

Red Ribbon Week-- September 30-October 4—Jen Nielson—Going great so far!

Student Council:

Olivia: working on a safety reminder for walking to school

Putting together panty packs. Food Drive will start in November.

Wondering if they are trying to wear school colors on Friday if they can be counted. Agreed its fine. Green Ribbon Week will be actually held in the spring. Using it with earth day. Spirit Trophy, What Else?

Put stuff in Mr. Welch's box so he can see it. They are going to help with Spirit Night by handing out flyers and making announcements.

VP Items of Business: None

Next meeting: November 6 at 10:30 am in the conference room

Tiffany Williams: Looking for volunteers for Lunch and some random activities. Teacher Appreciation, Picture Day,

Signups for SEP

Send email to entire school, put it in Windridge Weekly
