Treasurer Report: Stephanie Maughan

Not a lot has changed. Donations for running club, used money for book fair.

Working on shirts for DARE.

Book Fair – because of the change of dates, we need help taking down book fair at 3:30.

Grand event went well, good crowd. Went well for being a test event, 1st year. If we don't make enough money this year, next year we will have less cases, choices to choose from.

Praise/Reports – SEP dinner was great from Sonora Grill.

Laurie Larsen – Thoughts about wellness week. Obstacle course went well. Change from a whole week, to a couple Fridays throughout the year.

Bars – tasting for bars for emergency kits.

Vision Screening went well.

Box tops – reach as many as kids as possible that bring a few, and the kids that bring the huge stashes. Class brings the most wins, every now and then do drawing for individuals. Make sure name on them.

Reflections – Teri Clarke - Went well. Great night with great turnout. Billboard with winners was a lot of fun. Thanks to Glen Forbes for providing that.

If you need a laptop for an event, there is a guest passcode that changes daily. Get the code from the office.

Track and Field- Still need someone to help with next year to replace Whitney.

Looking at getting a Resilience Assembly (Free).

Nominating Committee – Is supposed to happen every year according to bylaws. During September – December – 3 members elected by elective committee and remaining members. Submit names, others or self, and then those names are voted on.

Picture retake – November 17

Veteran's Program – November 12 (Wendy)

Treats at school during class parties, etc – thoughts? Too much?

Next meeting: Wednesday January 2 at 10:30 in the conference room. (Edit – meeting will be January 9.) No December meeting.

Minutes will be approved at the next meeting.
